Friday 22nd September

Dear Parents/Carers,

Welcome back after the summer holidays and a big welcome to all the new children who have joined us this term, they have all settled so well and adapted to their new environment.

This week we have been busy little bees! We introduced our topic on 'All About Me' and have been learning to talk about ourselves using describing words such as tall, short etc. The children have done some super self-portrait paintings of themselves which are on display on our work line 😊 We have also been talking about birthdays and how old we are trying to recognise our number. This morning we baked mini birthday cakes.

We have also talked about the season changing from Summer to Winter this week. We went on an Autumn walk and the children enjoyed collecting a variety of leaves which were all different shapes, colours and sizes. We have also been singing songs to learn about the change in season and looking for any changes in the environment. The children have done some lovely artwork surrounding this and have done a super Autumn tree display board.

Next week we will be continuing with our topic on 'All about me' focusing on our favourite things 😊

Have a lovely weekend 😊

Fiona and the team
