Friday 17th November

Dear Parents/Carers,

What a lovely week we have had at nursery ☺ With Halloween and Bonfire Night behind us we were ready to introduce 'Christmas'. The children have had so much fun helping to change our home corner into Santa's workshop where they have been busy little elves making toys for Christmas ☺ The children have also been super creative helping to do some fantastic artwork for our awesome Christmas display board 'Shhh!'. This morning the children helped to bake mini quiches choosing their own fillings to put in them and once they were cooked they smelt divine ☺ A little note from playball below ☺

The children were all great today - really focussed and tried really hard. We continued with our movement theme and spent a lot of time with the playball beam which the children all enjoyed. They had to practise their balancing by walking across the beam. They were all incredibly confident on it which was great to see. Even the younger children managed to walk across the beam with very little assistance which was impressive. The children then had to jump off the beam onto pieces of fruit (beanbags). This exercise helps their jumping and also their aim as they have to try and land on the "fruit". There were some super jumps and the children managed to hold their balance on the beam for a few seconds before jumping off - excellent work ! We ended the session with some games - tails and hungry hippo. All very energetic. Look forward to returning next week.
